## **Club News!**

**Over the Christmas break the club room has been in the process of changes since we secured a small community grant. This has enabled the club to have some much needed renovations done to the club room. A small dedicated group of members has been busy installing a new kitchen, toilet and eventually the floorboards will be sanded & polished This is led by Russell Taylor and other club members who have volunteered their time and talent to get the job done.**

**In addition to the clubroom renovations the club has also put in new fencing with double gates for security around an increased allocated area which now will be used by our club. One set of double gates was donated by the LIONS CLUB who we thank for their generous donation. The fencing of the club grounds was at considerable cost, so all efforts at fundraising will be necessary to pay for these new additions and other future planned up-grades to make the club up to 2012 standard. Some of these will be re-wiring of lights, watering system review & leveling of the grounds for use in competition, walkways and sheds up-graded. All these are costly and the more volunteer labour we can illicit from members and/or family the lower the costs.**

**SO FUNDRAISING IS VERY IMPORTANT. PLEASE GET BEHIND THE CLUB. WE WELCOME IDEAS AND RELY ON YOUR GENEROUS TIME & TALENT. The Easter raffle is on the go Please take home & sell some tickets, buy some tickets.**

**Tickets at the office are \$1.00 or 3 for \$5  
Drawn 4th April**
