Special Rally O Edition!

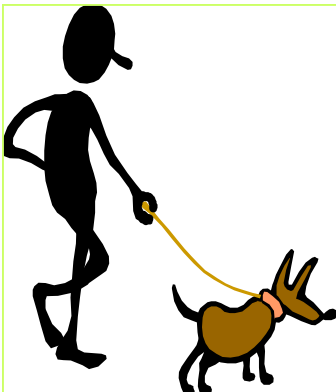

Hi everyone, this is an extra to the regular newsletter and its all about performance of our club members dogs over the month.

Members endured a wet, cold and muddy weekend on the 20th & 21st July of Rally Obedience and Obedience trials at Albury & border Kennel club. Many of our members entered and were successful in obtaining passes and titles, with **7 TITLES** being obtained & what a fantastic effort everyone.

Congratulations to those who were successful and better luck next time to those who failed. You know the old saying there is always another trial coming soon.

Members have also submitted results in other disciplines such conformation shows, agility trials which will be featured in this edition.

Keep up the good work and please encourage others to join you in this fun hobby of ours...All things doggy!!

Our goal is to teach you and your dog to work together with respect
