PRESIDENTS REPORT!

Firstly I must say thank you to all the members who worked together as a team and worked tirelessly before, during and after our trial weekend a great team effort by all.

What a great 2 day trial. It was our Inaugural Rally O trial feel it went off very well with many of our club members gaining passes thanks to Judges Graeme and Sam Field judging the Rally trial, & thanks to Graeme for his donation of his winnings back to our club. Thanks to Trish Wileman from Hairy cherubs Grooming business in Whittlesea who donated Highest scoring Novice gundog Sashes both AM & PM Rally trials. I do hope everybody enjoyed our first Rally Trial and look forward to next year. I also thank Patricia Looker for doing the entries and the great Catalogue.

Thanks also to our grounds people who had our grounds ready for the weekend the grounds looked great, so well done to you all. To all those who assisted with setting the rings up, it's good to have such a great team to ensure all this work is done in a timely manner. The preparation for the canteen takes a great team of people on the Friday before our show to ensure our canteen ran smoothly over the weekend. The Canteen makes a profit for our efforts on our trial weekend. Thanks to those members who donated cakes etc: Special Thanks to Leanne Greaves (Albury club) who assisted with the canteen as well.

President reports are always full of thank you messages, this is due to the important teams involved in running a club such as ours. So it is important to thank all those tireless workers who worked so hard over the past 3 days of our trial and not just those days but the entire time it takes to prepare for these events. It is good to have a pleasant weekend at the trials and everything runs so smoothly and this is because of the effort prior to these events in the planning and hard work by all your teams. Congratulations to all those that gained passes in the trial and sure you all are looking forward to our June show coming up very soon.

I must also congratulate all our members who have won in the breed rings since the beginning of the year make sure you all pass on your successes to Maree to put into your club newsletter not just the good but let's hear about the events we go to and not win because it 's not all about winning it's about having fun with our canine friends.

Most importantly welcome to all the new members since the beginning of the year and congratulations to all those members who have progressed throughout the various classes .

Counting Sheep

A farmer wants to know how many sheep he has in his field, so he asks border collie to count them. The dog runs into the field, counts them and runs back to the farmer. The farmer says, "How many?"

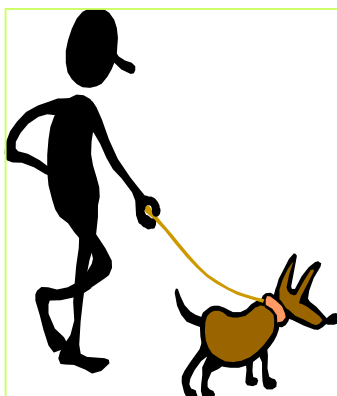

The dog says, "40." The farmer is surprised and says, "40 - I only bought 38!"

The dog says, "I rounded them up.."boom boom!

VALE

16.5.2000—2.3.2013

Dual Champion (T) Triseter Ebony Shilo CDX AD JD

Shilo was a performance dog and also a companion. She achieved titles in Conformation, Obedience, Tracking, Agility and Jumping. She competed successfully in Gundog Working Tests and Retrieving Trials.

In the field she proved to be a capable, highly -driven hunter. As a companion Shilo enjoyed assisting around the home by fetching and carrying many items.

She would pick up pegs for me at the clothesline, find the lost secateurs in the bushes, bring her dinner bowl inside when she had finished eating and retrieve articles that rolled under the table or chair—the list was endless. She is sadly missed — Linda Atkinson

The Wangaratta club would like to extend our condolences to Linda on the passing of her much loved , Gordon Setter “Shilo”. Linda and Shilo achieved many titles but loved working the paddocks together hunting quail & ducks the most. Shilo will be sadly missed by all her friends
