PRESIDENTS REPORT

Well it's that time of the year again with the warmer months starting up and daylight saving fast approaching which I believe will commence on the 7th of October, it's a great time for getting out with our canine friends and really enjoying working and with those lovely weekend walks along some great walking paths around this great region will help us all maintain a healthy life style along with our dogs.

I must say our August trial was a great success once again and thank you to all who assisted with the running of the event.

Thanks to those that made cakes, slices etc. for our canteen, again well done. I believe our canteen did very well. You have all done your club proud and as President, thank you.

Thanks to our judges too who did a great job over the weekend, our grounds were a credit to you all & thanks to the Wangaratta Council guys who did get it mowed for us. Thanks also to those that assisted with setting the whole weekend up, from those little tasks to the bigger ones.

Congratulation to all our members who gained passes, well done to you all. I hope you get your information to Maree, because remember your newsletter is only as good as the information we give, so keep those important achievements going in.

Most importantly welcome to all the new members and congratulations to all those members that have progressed throughout the various classes. As Chief Instructor as well our classes are progressing very well. We are still in need of Instructors to cope with the work load if any of you are interested.

As some of you would be aware we have applied for another grant to assist us in building a new BBQ kitchenette on our grounds. We will keep you updated if we are successful in obtaining the grant through the monthly meetings of which you all are invited to attend or the newsletter.

Kevin Felmingham
President
